## Host Family Letter

Applicant's Name Charlotte Becker

For Office Use Only, Student ID# TRA-08126

### Host Family Letter

Hand write a letter to your host family telling them why they should choose you. What will you bring to their family life?

What do you hope to learn?

My name is Charlotte Becker, I'm 14 years old and together with my parents and our pets, these are a little dog, called Lilly, a Koolhaerhondje at the age of two and Dagmar, an old 'cat lady', that we found 10 years ago in our corner. I live in a suburb from Erfurt. That's a small town in the middle of Germany. The next year I'd like to live in the United States of America, because I'm really excited to experience the American way of life. I've heard so much of it so I would like to overcome some prejudices. Besides I'd love to improve and use my language skills. That's why I'm looking for a host family for 10 months with my family. I like to talk. Talk about the day in school or at work, because we can tell us everything. Besides my father always helps me in maths, physics or chemistry. The village, where I live is quite small and not too exciting, that's why best friend Clara is very important for me. We spend a lot of time together often we go out with my dog or we go to the city. But the most time we just chat. Once a week I go to a drama club. That's my favourite hobby, but I also like listening to music or reading. On top of that I like meeting people. Often I meet my friends from school. They are all as numerous as me. What I dislike about other people is smoking and being arrogant.

I'm looking forward to trying out a typical American sports like cheerleading. Maybe I'd love to go fence or I would join a lacrosse team.

Of course I will also help you with the housework, for example I could wash the dishes or if you've a dog I would take it out, that's my job at home, too. If you want I can cook something typical German. I'm still not a great cook, but I'm optimistic. Until my departure I'll extend my knowledge on this topic. So don't worry.

If you decided to host me in your family I'd be very pleased and I'm sure we will have a wonderful year.

Best wishes
