### Host Family Letter

Hand write a letter to your host family telling them why they should choose you. What will you bring to their family life?

What do you hope to learn?

Dear Host Family,  
My name is Sara and I am looking for a host family for 10 months. I would like to tell you about myself:  
I live in a town in Germany called Osnabrueck. It is not too big, but it is okay. My mother comes from Poland and my father from Croatia, so we are a multi-cultural family. I love to meet new people, experience foreign cultures and learn new languages. I would like to know everything about America and meet a lot of American people. I chose America because I have heard so much about the American way of life and like American people. During my free time I listen to music, meet friends, go swimming or spend time with my big family. My favourite hobby is travelling and I have been to Italy, Austria, Croatia, Poland and the Netherlands. At home I help out by tidying my room, clearing and laying the table, I look after our cat and often help with work in the garden.  
One of my weakness is sleep! I like to sleep late and long. Of course I always wake up punctually for school! :)  
I really like music and used to play the piano and the flute. I belong to a sport club and especially like volleyball and swimming.  
I have a lot of fun with my friends and have a good sense of humour. I hope that we will get on well with each other this year.

Hope to see you soon.

Best wishes

SARA :)
